# WELCOME

Dear friends,

After seeing a dream fulfilled with the past World Championship in Tenerife, it's a great pleasure for the Canary Islands Water Ski Federation to invite you to the fourth edition of the International Open of Tenerife.

This competition will take place at Puerto Colon marina in Adeje in the south of the island of Tenerife (Canary Islands, Spain).

The chosen date is October 31 and November 1 because this week (October 27 to November 2) is school holidays for most European countries. Thus, we expect that the competitors can enjoy their favorite sport and our island with their families.

Furthermore in this fourth edition will have surprises... on Saturday the International Open will be held, but on Friday... we enjoy a twin race, thus find your team-mate!!

In this bulletin you'll find the information for competing. If you need more information, please don't hesitate to contact with Jonás García: [jonasazules250@hotmail.com](mailto:jonasazules250@hotmail.com)

We look forward to greeting you in Tenerife for a great and exciting competition.

Tony González  
Chairman of the Canary Islands Water Ski Federation

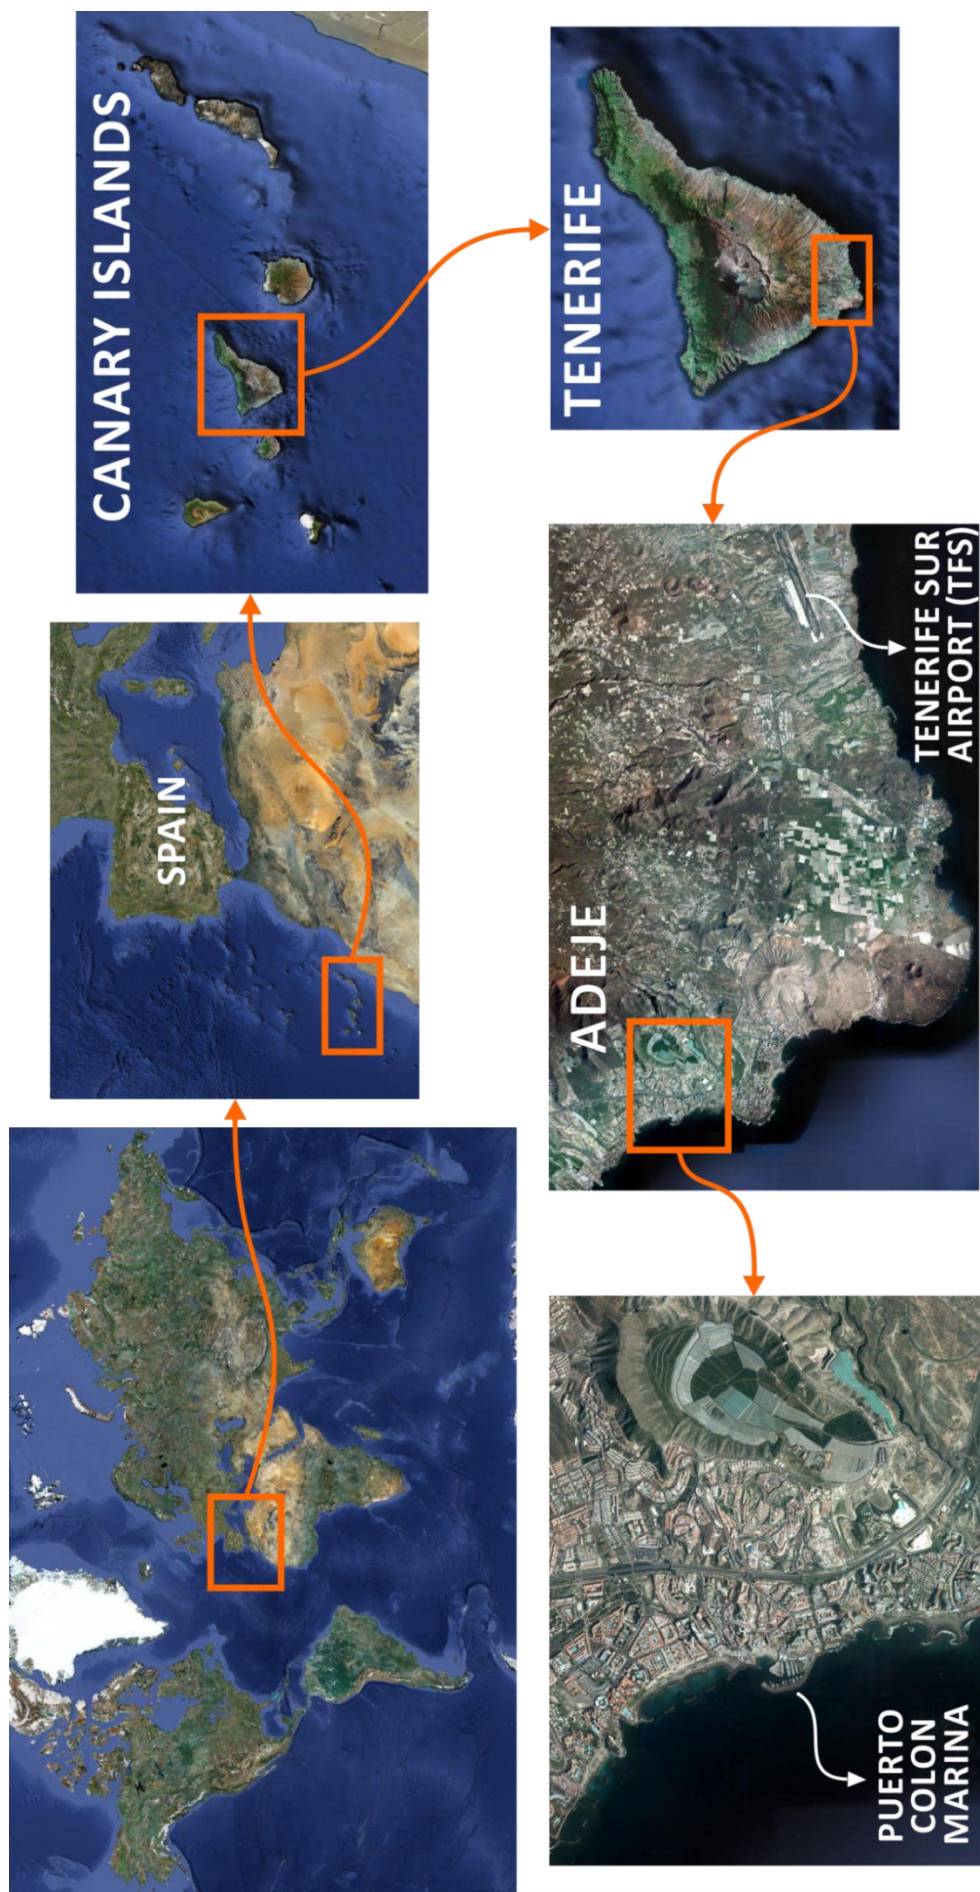

3<sup>rd</sup> International Open of Tenerife - Playa San Juan 2014
