## VIERSEL CAMPING AREA

As usual, the Camping site at Viersel will be at your disposal. We count on a 60m<sup>2</sup>/car+caravan and 50m<sup>2</sup>/camper. The total space of the Camping area will be limited!

However due to the restricted space, we urge you adhere to following regulations :

- 1) All vehicles must be parked in a perpendicular position to the canal and within the camping site boundaries. This for two reasons :
  1. In so doing, the campers take less space.
  2. It is safer because you can easily drive out of the camping space in case of fire or other emergency.
- 2) Extra passenger cars on the camping site are prohibited. (1 car/caravan).
- 3) Boats on the camping site are prohibited. A special boat paddock is at your disposal. This will be guarded on the night from Saturday to Sunday and the one from Sunday to Monday.
- 4) All persons present on the Camping Area will live according these rules and the announcements made by the Organising Committee.

All vehicles parked in the wrong way or outside the car-parking will be town away at owner's expense!

Furthermore we kindly request you to dispose all your garbage in the foreseen bins and refrain from littering.

We wish you a pleasant stay and a weekend full of sun.
